DEATH OF MR. W. C. WILCOX.

An Honored Former Citizen of Bryan Died at His Home in Navasota.
Died, Thursday afternoon, January 22, 1914, at 3:45 o'clock, Mr. William C. Wilcox, aged 71 years, 5 months and 2 days.

The subject of this brief sketch has resided in Navasota but a few months, a year perhaps, but during that time he had succeeded in making a number of warm personal friends. Retiring in his nature and unostentatious at all times, his acquaintance did not perhaps reach out as it would have been more active in that respect. However, as we said before, the friends he did form are of the sort we all like to have. Mr. Wilcox was stricken with pneumonia some days ago and from the first it was realized that the disease had the upper hand. It is almost too much to hope that one of his age can withstand the ravages of that awful malady.

Mr. Wilcox was born at Salem, Miss., on the 20th of August, 1842. He came to Texas with his mother and brothers in 1850, settling at Columbia. At the outbreak of the Civil War he enlisted as courier in General DeBray's brigade, where he served for the first two years; the latter two he spent in the ranks under General Green. He was married at Port Sullivan in 1868 to Miss Belle Campbell, moved to Bryan two years later and spent the remaining years of his life there up to the time he moved to Navasota. He leaves a wife and two daughters, Mrs. C. M. Camp and Mrs. J. W. Leigh of Navasota, and three brothers, Mr. N. M. Wilcox of Georgetown, Mr. W. W. Wilcox and Mr. C. H. Wilcox of Austin.

The remains were taken to Bryan today on the Hustler, the funeral taking place from the depot there upon arrival of the train. The friends of the family here will extend deepest sympathy to the bereaved wife and daughters and other relatives.—Navasota Examiner.

Mr. Wilcox was a citizen of Bryan for more than forty years and witnessed the development of the town from a very small village to its present proportion. And while, as the Examiner says, he was modest and retiring in disposition, he was a true man and citizen, living up to every obligation in private life and shirking no duty of citizenship. By his honorable straightforward course, he won the friendship of all, and no man who ever lived here was more highly esteemed. He was a consistent member of the Christian Church, was also a member of the A. O. U. W. lodge and Camp J. B. Robertson, United Confederate Veterans. At the funeral, which was held from the northbound Hustler Friday, the members of the A. O. U. W. Lodge attended in a body, and all the veterans of the camp who were able were also present to add their last tribute to a departed brother and comrade.

The funeral services were conducted by Rev. J. N. Thomas, pastor of the Christian Church, and the following gentlemen acted as pallbearers: M. E. Wallace, J. W. Barron, T. P. Boyett, C. E. Jenkins, M. F. Dansby and D. C. Vick.

R. M. Wilson, secretary, Gay Bittle, assistant secretary, Russell Thomas, treasurer, L. D. McGee, pianist, Elizabeth Wilson.

We very earnestly invite your presence at all of the above services. JAMES N. THOMAS, Pastor.

FIRST METHODIST CHURCH.

Sunday school at 9:45 a. m. C. M. Bethany, superintendent. The campaign starts off splendidly. Let every Federal and Rebel be in place tomorrow.

Preaching at 11 a. m. by the pastor. Subject, "Fullness in Christ." The evening services will be under the auspices of the A. & M. Y. M. C. A. There will be a number of addresses by the students and the College Glee Club will furnish the music for the evening. This is a special service postponed from last Sunday evening. Arrangements are being made to insure the presence of the students.

The following musical program will be rendered at the morning service: Voluntary, organ; quartet; offertory, organ; quartet.

Mrs. G. W. Emory, organist; Mrs. Danforth, Miss Sanders and Messrs. Reed and Whitaker, quartet; Miss Hewitt, accompanist.

The public is invited to all these services. GLENN FLINN, Pastor.

POSTPONED SERVICE WILL BE HELD SUNDAY EVENING

The special service announced for young people at the Methodist Church last Sunday night, but postponed on account of the inability of the students of the college to reach town, will be held tomorrow night at 7:30. Special arrangements are being made to insure the presence of the students. This service, as previously announced, will be conducted by the students and will consist in reports from the great student convention recently held in Kansas City, and special sacred numbers by the College Glee Club. The Methodist Church was filled last Sunday night to hear these young men, and much disappointment was had in their failure to arrive.

WEATHER BULLETIN

(Copyrighted, 1914, by W. T. Foster.)
Washington, Jan. 24.—Last bulletin gave forecasts of disturbance to cross continent January 25 to 27, warm wave 24 to 28, cool wave 27 to 31. This will be a moderate disturbance with a little more than average force, the temperature trends upward, or the cold wave of this less than the cold wave of preceding storm.

Not much precipitation with this storm, most of which will be at points and along lines predicted for the last three months, except that the tendency will be more toward concentrating the precipitation in the vicinity of the Gulf of Mexico. From about January 24 to 31 a great rise in temperatures is expected.

Next disturbance will reach Pacific coast about January 28, cross Pacific slope by close of 29, great central valleys 30 to February 1, Eastern sections February 2. Warm wave will cross Pacific slope about January 28, great central valleys 30, Eastern sections February 1. Cool wave will cross Pacific slope about January 31, great central valleys February 2, Eastern sections February 4.

The week of this disturbance will average warmer than usual, force of storms about or a little greater than the average. Precipitation will tend toward a concentration about the Gulf of Mexico and the storms will cross continent farther south than usual.

Second disturbance of February will reach Pacific coast about 3, cross Pacific slope by close of 4, great central valleys 5 to 7, Eastern sections 8. Warm wave will cross Pacific slope about February 3, great central valleys 5, Eastern sections 7. Cool wave will cross Pacific slope about February 6, great central valleys 8, Eastern sections 10.

This will be very much like the previous disturbance, except that cool wave following the later storm will be a cold wave that will break up the long mild period and start the temperatures toward a very low degree that is expected to be one of the coldest periods of the winter not far from February 19.

A long cold spell is expected February 13 to 23 and, following a mild period, will not be good for winter grain. There is a little doubt as to whether the principal cold wave will come near February 6 or 13. If the former date, then the cold spell will cover February 5 to 23.

The storms of February will be most severe about February 10 to 17. Principal precipitation of that month will be in our Southwestern States, including Texas. Elsewhere the greatest precipitation will be around the Indian Ocean, which will include India, Eastern Africa and the Malay islands and peninsula.

This distribution of precipitation will cause a February drought in Argentina, which includes all the country east of the Andes and south of the Amazon drainage system. That drought may cause the Argentines to regret sending so much corn to North America and to Europe at greatly reduced prices.

We cannot hold out hope to consumers that general market prices of grain will go permanently lower. The human race is increasing, while productive lands are decreasing.

The audible-visible signal of the Lehigh Valley, both by sight and hearing warns the motorist or the driver of any vehicle of the approach of a train in ample time. The system is believed to mark the last word in safety for grade signals.

Sheriff or Any Constable of Brazos
County, Greeting:

You are hereby commanded to summon Bettie B. Fisher, a feme sole, Cora Davenport, a feme sole, and Jno. W. Harris, and the unknown heirs and legal representatives of Anna P. Harris and Rebecca Harris, by making publication of this citation once in each week for eight successive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in any newspaper published in the Twentieth Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said Twentieth Judicial District, to appear at the next regular term of the District Court of Brazos County, to be holden at the Court House thereof, in City of Bryan, on the first Monday in March, 1914, the same being the second day of March, 1914, then and there to answer a petition filed in said Court on the 18th day of December, 1913, in a suit, numbered on the docket of said Court No. 6719, wherein Mrs. Sallie B. Harris, a widow, for herself and as next friend for Titus Harris, Tennessee Harris, John Harris and Joy Harris and Francis Harris, her minor children, R. D. Harris and wife, R. P. Harris, Ed Harris, Hunter Harris and E. A. Harris are plaintiffs, and Bettie B. Fisher, Cora Davenport, Jno. W. Harris and the unknown heirs and legal representatives of Anna P. Harris and Rebecca Harris are defendants, and said petition alleging in substance as follows: That plaintiffs, Mrs. Sallie B. Harris, Titus Harris, Tennessee Harris, John Harris, Joy Harris and Francis Harris are residents of Fort Bend County, Texas, but now temporarily residing in Williamson County, Texas; that R. D. Harris, R. P. Harris, Ed Harris and Hunter Harris are residents of Fort Bend County, Texas; that E. A. Harris is a resident of Grimes County, Texas; that the said defendants, Anna P. Harris and Rebecca Harris are dead and that the residence and names of their heirs and legal representatives are unknown to plaintiffs, and that the residence of the defendants, Bettie B. Fisher, Cora Davenport and John W. Harris is unknown to plaintiffs.

That Sallie B. Harris and R. P. Harris are the children and sole heirs at law of Titus Holliday and Tennessee Holliday, deceased, and that all of said plaintiffs are the sole heirs of R. L. Harris, deceased.

That plaintiffs are lawfully seized and possessed of the following described land and premises situated in the Jas. D. Millican League in Brazos County, Texas, and known as Lot No. Nine (9) of the upland, which was set apart to John H. Millican, in the partition of the James D. Millican League among the heirs, and described as follows, to-wit:

Beginning at the N. W. corner of the Upland tract set apart to William Millican in the partition of the said Jas. D. Millican League among the heirs; thence run south 94° vrs. to

a stake set in the west line of the tract set apart to Elmina J. Norwood in said partition, from which a pin oak 8 ins. in dia. brs. S. 31 E. 3 vrs. mrkd. R., another 5 ins. in dia. mrkd. C. brs. N. 31 W. 4 vrs. Thence west 500 vrs. to a stake, from which a Spanish oak 12 ins. in dia. mrkd. "A" W. 2 vrs., another 8 ins. in dia. mrkd. X. brs. N. 5 vrs. Thence north 94° vrs. intersecting the north boundary line of the league at a stake, from which a P. O. 10 ins. in dia. mrkd. S. brs. S. W. 4.5 vrs., another mrkd. T. brs. N. 35 E. 3.5 vrs. Thence east with said north line 600 vrs. to the place of beginning, containing 100 acres of land, more or less. That in addition to plaintiffs' fee simple title, by record in and to the above described land and premises, that they and those whose title they claim and own, have had peaceable, adverse and continuous possession of same, using, enjoying and paying all taxes due thereon, under deeds duly registered for more than five years next before the filing of suit, and for more than five years next after the cause of action of said defendants, or either of them, accrued, if any, they ever had. That the plaintiffs and those under whom they claim, have had and held peaceable, adverse and continuous possession of the above described land and premises, using, occupying and enjoying the same for more than ten years next before the filing of their petition, and for more than ten years since the defendants' cause of action accrued, if any, they, or either of them ever had; and plaintiffs specially plead the Statute of Limitation of five and ten years in support of their title to the above described land and premises.

That the defendants are asserting some sort of title in and to said land, under a certain deed recorded in Brazos County, Texas, adverse to plaintiffs, and that the claim of title so asserted is a cloud upon plaintiffs' title.

Plaintiffs pray for process to defendants as required by law, and upon hearing, that they have judgment against all of the defendants for the title, restitution and possession of said land and premises, and to remove cloud from the title to same, and for such other and further relief which they may show themselves entitled, both in law and in equity.

Herein fail not, but have before said Court, at its aforesaid next regular term, this writ, with your return thereon, showing how you have executed the same.
